

Top 6 reasons why you need a bottle-free cooler from us!

1

Eliminate the plastic bottle epidemic (never store spare bottles or dispose of them)

2

Hydrate your workforce & keep them happy and healthy!

3

Sealed & sanitized dispenser = no more dirt and germs in your water

4

Instant ice-cold and hot water on demand! Great for teas, cocoa & coffee

5

Locally owned small business = great customer service

6

97% of our customers save \$\$\$ when compared to bottled water
