

PURE

WATER SYSTEMS
OF NEVADA

Live Pure!

Water Origins:

After running a bottled water company, founder Mike Guidara recognized a need for better technology to deliver pure water to the consumer.

Mike Guidara

Taking the Leap

Mike quit his job on April Fool's Day and founded the company in 1993 out of his garage.

Utilities back then were Sierra Pacific Power & Water, so company was originally branded 'Truckee Meadows Water Systems'.
